

Courses on HK Listing Regulations

HKIRA is now launching a series of certificate courses developed and taught by senior IR practitioners with over 10 years of work experience in listed companies. Our **Executive Certificate in HK Listing Regulations** aims to provide an overview of the essential knowledge on the Hong Kong Exchange Listing Rules & the Securities and Future Ordinance that are most relevant to listed companies and IR practitioners. Upon completion of all courses, attendees will gain a broad understanding of Hong Kong listing regulations applicable to their daily work.

Attendees may freely choose to take an individual course or complete a set of individual courses in pursuit for the executive certificates issued by HKIRA. [\[Course catalog\]](#)

Timely disclosure under the Listing Rules and SFO - Part 1 (English)

This first individual course will cover the most frequently encountered listing compliance requirements including:

1. Timing of announcing profit warning & positive profit alert
2. The boundaries of communicating revenue and profit targets or guidance
3. Responding to unusual price fluctuation and trading volume
4. Responding to media speculation and market rumors
5. Dealing with hostile short-seller reports
6. Disclosing inside information on confidential company matters, internal developments and change in external environment
