### Venturing for Success: Resilience, Growth & Opportunity

The pandemic has created strong tailwinds for rapid digitalisation in the past year that revolutionised the start-up world, yet bringing epic venture deal volume despite many challenges. The innovation economy has emerged stronger and accelerated tech trends opens up new growth horizons and capital opportunities. Cyberport's annual premier venture forum CVCF will decode the reinvented tech and venture ecosystem, offering actionable insights on fundraising strategies, market dynamics and technovation for all to stay ahead of the pack in times of great change.

### Discover the Hybrid Experience Beyond Limits

Enjoy a brand-new hybrid format with a unified experience of online and offline engagements without limits. CVCF's integrated event platform features forum and workshop broadcast, on-demand contents, interactivity along with our exclusive Investor Matching, Innovator Showcase, Founder Stage and more.
